Greeting Parents, Students and Community Members:

The Wallace Elementary Middle School Faculty and Staff is excited to welcome you to the 2019-2020 school year. We believe that WEMS is “Where Education Means Success”. Our aim is to meet the academic, social, emotional, and physical needs of all students. Our goal is to provide students with a rigorous curriculum to develop students with critical thinking, problem solving, and real world skills in a safe and orderly environment. We understand the importance of the school-home connection and its impact on student success. We look forward to partnering with you to ensure the success of our students, school, and community.

Educationally Yours,
